To the Overseers of the Poor of the town of Eastham

Gentlemen

Your note of the 1st inst was duly received. Jeremiah Warner says that he is the man that you paid a bill for in Cohasset last year. That he moved into Bingham Oct. 1857. That he is 56 yrs. of age was born in Eastham and lived there till 1840. when he removed to Cohasset and after wards to Hull. then again to Cohasset and then to Bingham. That his wife maiden name was Maria Sherman of Orleans. That the children with him are Warren 17 years, Lydia 16 yrs. and George 12 years. The reason of his application for relief is that, by accident, his left thumb was severely injured. He has plenty of wood & potatoes, & few turnips & expects to get through the winter with good help of $2 or 30. Our bill for provisions which is all we have as yet furnished in Jan is $10-00
